# Frontiers Planet Prize
# Application form

The Frontiers Planet Prize application form must be filled out by the lead scientist of the research article as put forward by the National Nominating Body.
All fields with * are compulsory

Title*

First Name*

Last Name*

Email*

Position*

Institutional affiliation at the time of submitting application to the Frontiers Planet Prize*
(your National Nominating Body)

Institution or organization that recommended you put your application forward
(if different from above institutional affiliation)

Country*

Title of the peer-reviewed publication*

Journal*

**Date of acceptance***
dd/mm/yyyy

**DOI***

**List of co-authors***
If there are multiple authors who have contributed to the study, please indicate their names below (use this format : Author 1's first name, last name, Author 2's first name, last name,...)*

Please specifically indicate the contribution made by each co-author. If this is already indicated in the article, this can be copied and pasted below*:

**Link to the peer-reviewed publication***
Please attach a PDF of your article when submitting your application

**Select 1 or multiple planetary boundaries your research addresses***

- Stratospheric ozone depletion
- Biosphere integrity
- Novel entities
- Climate change
- Ocean acidification
- Freshwater change
- Land system change
- Biogeochemical flows
- Atmospheric aerosol loading

**Key new insight(s) emerging from this research***
(max 1200 characters including spaces)

What is the actionable solution your research presents? Provide an outlook on how, within 24 months, your results can be implemented in policies, be commercially adapted or otherwise contribute to keep the planet within its planetary boundaries* (max 1200 characters including spaces)

Provide a brief personal statement, 'Why my paper should win the Prize' *
(max 1200 characters including spaces)

If awarded the International Champion title, how would you use the 1 million USD prize money to pursue the objectives of your research, accelerating and scaling its impact?
(max 1200 characters including spaces)

By submitting this form, I hereby confirm all the below*

- I am the representative of the group of co- authors who worked on this article, and thus will be recognized as the National or International Champion, should the article be selected nationally or internationally.
- I have provided the Frontiers Research Foundation true, complete and accurate information and have ensured that other individuals/institutions mentioned on the documents have agreed to be mentioned.
- I agree to comply with the rules which the Frontiers Research Foundation adopts to govern any aspect relating to the Frontiers Planet Prize, including the Prize's Terms and Conditions, and the Privacy Notice for the Frontiers Planet Prize.
- I agree that all terms and conditions relating to the Frontiers Planet Prize shall be governed by Swiss substantive law, without reference to its conflict of law's provisions. All disputes shall be subject to the jurisdiction of the ordinary courts of Lausanne, Switzerland.
